

“Educate, represent our members, lead with a clear vision of the future, and assist members to achieve a rewarding lifestyle.”

Dear Potential Sponsor,

I hope this message finds you well. We are excited to share details for our 3rd Annual “Pulling for Agriculture” Tractor Pull, featuring competitors from the Illinois Tractor Pulling Association (ITPA), Southern Illinois Pullers League (SIPL), multiple truck classes, and our popular “King of Clinton County” Farm Stock classes.

As we prepare for this exciting event, we are reaching out to partners who share our passion for agriculture and education. This year’s tractor pull will take place Saturday, September 19th at the Clinton County Fairgrounds in Carlyle, IL. Beyond being a thrilling experience for spectators, the event serves as a fundraiser for our charitable Foundation and its scholarship programs – including our newest initiative supporting the next generation of much-needed Ag Mechanics.

Why Sponsor?

1. **Community Impact** - Your sponsorship directly supports local students through agricultural education and scholarship opportunities that strengthen the future of our industry.
2. **Brand Visibility** - Sponsors receive valuable exposure before and during the event through promotional materials, event t-shirts, social media campaigns, and on-site signage seen by a diverse and engaged audience.
3. **Networking Opportunities** - Our tractor pull brings together agricultural leaders, businesses, families, and enthusiasts, creating an excellent opportunity to build relationships within the ag community.
4. **Demonstrate Corporate Citizenship** - Partnering with us highlights your company’s commitment to supporting agriculture, education, and community development.

We offer a variety of sponsorship packages to fit different goals and budgets. Opportunities include becoming one of our seven (7) exclusive ITPA Pulling Class Sponsors, one of two (2) “King of Clinton County” afternoon pull sponsors, a Kid’s Zone Sponsor, or participating at the Bronze through Platinum sponsorship levels for 2026.

Please find our sponsorship prospectus attached for additional details. If you’re interested in volunteering, customizing a sponsorship package, or exploring other ideas, we would be happy to work with you to create a partnership that fits your needs.

Thank you for considering this opportunity to support a meaningful cause. Together, we can make a lasting impact on our community and inspire future generations of agricultural leaders.

To be included in upcoming promotional efforts, we kindly ask for your response by July 15th.

We look forward to welcoming you as a valued sponsor for our expanded 2026 Pulling for Agriculture Tractor Pull.

Respectfully,

Brian Becker
Chairman Clinton CFB Tractor Pull Committee
